(b) It is understood and agreed that the Lessee shall cause the Equipment to be operated only by competent employees familiar with such equipment and the operation thereof and shall pay all expenses of operation and shall, in effecting maintenance and repairs, have such work performed only by qualified persons who are satisfactory to the Lessor.

(c) Maintenance of the Equipment shall include, without limiting the generality of the foregoing, all routine adjustments, which are to be performed in accordance with the recommendations of the manufacturer and/or the Lessor.

8. RETURN OF EQUIPMENT - The Lessee agrees to return the equipment and its appurtenances to the Lessor in the same condition as when delivered by the Lessor, normal wear and tear excepted. Where cleaning of returned equipment is required, this will be charged to the Lessee at the current labour rate of the Lessor. Except to the extent due to the negligence or wilful misconduct of Lessor or the breach of this Agreement by the Lessor, the Lessee shall indemnify the Lessor against all loss or damage to equipment arising out of the Lessee's use during the rental period and the appraisal of any such loss or damage shall be based upon the value stated in the Details of Equipment, provided, however, that the Lessee shall only be liable for such shortages or damages as shall be notified to it in writing by the Lessor within two weeks after receipt by the Lessor, its nominee or agent of the equipment concerned.

The Lessee hereby renounces all claims which it may have against the Lessor for any loss or damage which it may suffer either direct or indirectly, by reason of the Equipment's suitability for the work it may be required to perform, unless due to the negligence or misconduct of the Lessor.

10. ACCEPTANCE - Unless the Lessee otherwise notifies the Lessor, the Lessee acknowledges that he has fully inspected said equipment and Lessor acknowledges that said equipment is in good condition and repair.

11. INSPECTION - Upon the equipment being installed, the Lessee may have an inspection thereof made by a competent authority and if the equipment is proven not to be substantially in the condition required by this Lease, then the cost of such inspection shall be paid by the Lessor.

With advance notification, the Lessor shall at any and all times during business hours have the right to enter into and upon the premises where the equipment may be located for the purpose of inspecting the same or observing its use, providing that the inspection does not serve to interrupt the Lessor's business in any way. The Lessee shall give the Lessor immediate notice of any attachment or other judicial process, which affects or may affect any item of equipment and shall whenever requested by the Lessor advise the Lessor of the exact location of equipment.

12. TITLE - Title to the equipment shall at all times be and remain vested in the Lessor and nothing contained in this Lease shall be deemed to have the effect of conferring upon the Lessee any right or title whatsoever in or to the equipment, other than that of Lessee.

The Lessee shall keep the Equipment free and clear of all levies, liens and encumbrances and shall give the Lessor immediate notice in case any of the equipment is levied upon or from any cause becomes liable to seizure.

The Lessee agrees to notify in writing the landlord of the premises where any article of equipment may be kept to the effect that such equipment is the property of the Lessor, and further agrees not to allow the equipment or its accessories to be pledged or encumbered by mortgage or otherwise.

13. DEFAULT - If the Lessee fails to make any payment when due, the Lessor shall be at liberty to enter and remove its equipment upon three day's notice in writing being given to the Lessee. The Lessee shall make available the equipment for return to the Lessor and should the Lessee not do so, then the Lessor shall be entitled to recover any reasonable cost that it may incur by way of legal proceedings or otherwise, including damages and loss of business, by reason of the Lessee's default in making available the equipment for return to the Lessor.

14. INSURANCE - The Lessee shall at the Lessee's own expense maintain liability, theft, fire, loss of rent, and any other insurances required to indemnify the Lessor against any loss to or of the Equipment to the extent of new replacement value at the date of replacement or cash equivalent, such insurance coverage to cover the interest of the Lessor in said equipment.

Any payments made under that insurance policy shall be to the benefit of the Lessor

This insurance shall be kept in full force and effect from the time the Equipment is leased out to the Lessee or is shipped by the Lessor until the Lessee returns it to the Lessor during the Lessor's normal business hours with Lessor's acknowledgement. Lessee will, on demand, furnish Trinity Power Corporation with a Certificate of Insurance evidencing the applicable insurance coverage. Such certificate(s) shall include liability limits of not less than \$5,000,000 per occurrence and shall be endorsed to include Trinity Power Corporation as an additional insured with respect to liability and/or loss payee with respect to the Equipment that is being leased and provide that the applicable insurance policies may not be cancelled or materially modified except on thirty (30) days written notice to Trinity Power Corporation at the address identified on the front of this document;

LESSOR'S PAYMENT - In case of failure to procure or maintain said insurance or to pay said fees, assessments, charges and taxes for which Lessee is liable hereunder, all as hereinafore specified, Lessor shall have the right, but shall not be obligated, to effect such insurance or pay said fees, assessments, charges and taxes as the case may be. In that event, the cost thereof shall be re-payable to the Lessor with the next instalment of rent, and failure to repay the same shall carry with it the same consequence, including interest following 30 days thereafter at one and a half percent (1.5%) per month (eighteen percent (18%) per annum), as failure to pay any instalment of rent.

16. INSTALLATION, CONNECTION, DISCONNECTION & REMOVAL - The Lessor shall undertake all work, permits and inspections associated with the installation, connection, disconnection and removal of the Equipment at the Lessee's location, unless stated otherwise on the Items of Equipment attached hereto.

18. INDEMNITY - In consideration of the promises and as an inducement to the Lessor to enter into the Rental Agreement, and for other good and valuable consideration, the receipt of which is hereby acknowledged, except to the extent due to the negligence or wilful misconduct of Lessor or breach of this Agreement by Lessor, the Lessee hereby makes the following indemnity with and in favour of the Lessor:

- (c) No modification of this indemnity shall be effective unless the same be in writing and signed by the Lessee and the Lessor.

If any proceeding under the Bankruptcy Act as amended, is commenced by or against the Lessee, or if the Lessee is adjudged insolvent or if the Lessee makes any assignment for the benefit of his creditors, or if a writ of attachment or execution is levied on any item or items of the equipment and is not released or satisfied within ten (10) days thereafter, or if a receiver is appointed in any proceeding or action and given authority to take possession or control of any item or items of the equipment, Lessor shall in its sole reasonable discretion have and may exercise any one or more of the remedies set forth in paragraph 21 hereof and this lease shall, at the option of the Lessor, without notice immediately terminate and shall not be treated as an asset of Lessee from the date of the exercise of said option.
